Pine Bed Needles, Dry Brush, Wooded Areas and more.

Testing and Standards: Accredited Third Party Testing Laboratories
California Admin Title 19 Sec 1264.3 Christmas trees • ASTM E 84 Class A

Technical Data

ENVIRONMENT SAFE
TRANSPARENT
ODORLESS

WT. 9.25 LBS PER GAL
225-275 PER GAL
1 COAT APPLICATION

NON TOXIC
3YR SHELF LIFE
DON'T DILUTE

NON CORROSIVE
ANTI-BACTERIAL: GOOD
DO NOT LET FREEZE

How it works:

FX TreeGuard, when subjected to a heat source (sparks, embers or fire, will create a protective barrier against combustion of material that's been treated, thus making it a most effective fire retardant coating. Christmas Trees will stay fresher longer, dried grass, hay, straw and weeds will not sustain combustion from sparks or embers, Spanish moss, silk décor and other materials will not sustain combustion.

Application Process:

Agitate product before and during application. Apply **FX TreeGuard** as it is received. Apply with a low pressure hand pump sprayer at a rate of 225-275 sf per gallon. Start from the bottom and work up on **Christmas Trees**. Drying time will vary 6-18hrs depending on weather. Rinse equipment & wash hands with soap and water. If you have any questions contact manufacturer.

3 YEAR SHELF LIFE IF CONTAINER IS CLOSED AND KEPT FROM TEMPS BELOW 40° AND OVER 125°

Warranty:

The use of Fire Retardant Coatings of Texas' products are based on tests conducted by third party accredited Laboratory's. Manufacturer and Seller are not responsible for results where the product is used under conditions beyond their control. Manufacturer and sellers only obligation shall be to replace such quantity of the product proved to be defective. Neither the manufacturer nor seller shall be liable for any injury, loss or damage, direct or consequential, arising out of the use, misuse, or the inability to use the product. Before using, user shall determine the suitability of the product for his intended use and user shall assume all risk and liability whatsoever in connection therewith.

WARNING: KEEP THIS AND ALL CHEMICALS OUT OF CHILDRENS REACH - AS WITH ANY PRODUCT, THIS PRODUCT MAY CAUSE EYE AND/OR SKIN IRRITATION - ALWAYS WEAR PERSONAL PROTECTION EQUIPMENT WHEN HANDLING THIS OR ANY CHEMICALS.
